(all including GST) \$
=====

- All Athletics New Zealand grades (including the Children's' under 14 grades) are based on age as at 31 December 2009. Note that these age rules are different for masters competing in Masters Athletics events, where age on the day determines the competition grade. Joining the club as an Associate member means that you are not a registered athlete and cannot compete in inter-club track or harrier events. However you can take part in all ordinary club races and can enter open road and cross country events (eg. marathons and half marathons).
- All registered members will receive a numbered and named registration badge. This **must** be worn for all events other than open type events. The Centre must receive your registration fee before the registration badge is issued. You should allow both the Club and the Centre at least **two weeks** to process your registration - **don't leave it until a day or two before the event for which you require the badge, because you will simply not be able to compete.**
- Club uniforms can be purchased by arrangement from the Club's uniform co-ordinator, Lynne Ogilvie (347 8181 evenings prior to 9.00pm). **Please make arrangements for your purchase well before you require it.** Uniforms are required to be worn in inter-club events when determined necessary by the club. These are required to be worn in inter-club events when determined necessary by the club.
- Please pay by cheque (payable to The Lake City Athletic Club) or otherwise tender the exact amount.

I am a new member (Y/N) _____
